The Hashemite Kingdom of Jordan  
Youth, Technology, and Jobs Project  
REQUEST FOR EXPRESSIONS OF INTEREST**

**Assignment Title: Commission a research paper on the Alignment between the Youth, Technology, and Jobs (YTJ) project with the Sustainable Development Goals (SDGs) and Economic Modernization**

**Reference No.: JO-MODEE-466803-CS-CQS**

The Ministry of Digital Economy and Entrepreneurship (MoDEE) has received financing from the International Bank for Reconstruction and Development (The World Bank) toward the cost of the Youth, Technology, and Jobs Project, and intends to apply part of the proceeds for consulting services.

The consulting services ("the Services") is for conducting to commission a research paper analyzing the alignment of the Youth, Technology, and Jobs (YTJ) Project and Jordan Source with the Sustainable Development Goals (SDGs) and Jordan's Economic Modernization Vision.

This research paper will serve the following purposes:

- Demonstrate the YTJ program's effectiveness: By evaluating the program's alignment with broader national and international goals, we can showcase its potential contribution to Jordan's economic and social development.
- Inform future program development: The research will provide valuable insights into the program's strengths and areas for improvement, guiding future initiatives aimed at promoting digital skills, job creation, and economic growth in Jordan.

The research paper will focus on:

- Identifying key achievements and successes: The consultant will highlight the YTJ program's significant accomplishments and positive impacts.
- Demonstrating alignment: The research will clearly articulate how the program contributes to achieving specific targets and indicators within the SDGs and the Economic Modernization Vision.
- Providing a compelling narrative: The paper will be written in a clear, engaging, and informative style that can be easily understood and shared with relevant stakeholders.
